

Sure Shield

Hand Sanitiser Enriched with Glycerine

Description:

Sure Shield is an alcohol-free hand sanitiser liquid, suitable for spray or foaming pump packs. Dries without leaving your hands greasy. Contains moisturisers to help leave your hands soft, refreshed and hygienically clean. Sure Shield kills 99.99% of germs fast and remains active for longer on skin than alcohol gels.

Directions for Use:

Dispense a small amount onto hands. Rub thoroughly over all surfaces of both hands. Do not rinse. Rub hands together briskly until dry.

Key Benefits to you:

Alcohol free - does not dry your hands, cause cracking or skin damage

Non-Flammable - safe for storage and use in confined areas

Keeps Active Longer - less frequent application of product required

Safe - both to end user and the environment

Anti-bacterial - active ingredient, Quaternary Ammonium Compound, is widely used in detergents and disinfectants for its antimicrobial effects
