

Sure Shield 360 Plus

Hospital Grade Disinfectant Cleaner & Deodoriser

PRODUCT DESCRIPTION:

ZEXA 360 Plus is a hospital grade disinfectant, cleaner and deodoriser. 360 Plus provides high potency disinfection with powerful cleaning action and provides a fresh, pleasant residual lemon fragrance.

DIRECTIONS FOR USE:

Hospital Grade Disinfectant

Dilute 1:10 (100mL to 1Lt) in cold to warm water.

Floor Cleaning

Dilute 1:50 (20mL/1Lt) of water. Apply with mop and bucket or automatic scrubber.

Spray & Wipe

Dilute 1:25 (40mL/1Lt) of water. Apply with trigger spray or squirt bottle and wipe with a clean cloth.

Air Freshener

Dilute 1:40 parts (25mL/1Lt) of water. Atomise through trigger spray.

- The addition of warm water will improve cleaning performance
- DO NOT MIX WITH DETERGENT OR OTHER CHEMICALS
- DISCARD DAY OLD SOLUTIONS
