

SURE SHIELD DD20

Commercial Grade Disinfectant & Deodoriser

Description:

Sure Shield DD20 is a hard surface commercial grade disinfectant and deodoriser. DD20 is a combination of emulsifiers and cleaning reagents coupled with highly effective cationic sanitisers and a pleasant Lemon fresh residual fragrance.

Directions for Use:

Commercial Grade Disinfectant: Dilute at a rate of 1 part product to 20 parts (250mL to 5L) in cold to warm water.

Floor Cleaning: Dilute at a rate of 30mL/1L of water. Apply with mop and bucket or automatic scrubber.

Spray & Wipe: Dilute at a rate of 40mL/1L of water. Apply with trigger spray or squirt bottle and wipe with a clean cloth.

Air Freshener: Dilute at a rate of 50mL/1L of water. Atomize through trigger spray.

DO NOT MIX WITH DETERGENT OR OTHER CHEMICALS

DISCARD DAY OLD SOLUTIONS
