

# Hand and Body wash

## Foam Soap

### HAND HYGIENE

#### PRODUCT DESCRIPTION:

Zexa Hand and Body wash is a lightly perfumed, foaming hand and body cleanser that is designed to eliminate bacteria on the skin. It is highly effective against a broad spectrum of microorganisms and suitable for all situations where reducing the possibility of microbial cross-contamination is important.

Gentle and emollient-rich, it helps condition the skin whilst reducing transient bacteria. The light, fruity floral fragrance combined with the luxurious lather during washing, leaves hands and body feeling soft, with a gentle, comforting residual aroma on the skin.

#### DIRECTIONS FOR USE:

Remove cap from the cartridge, invert and place in dispenser. Close and lock dispenser with key.

As a safety and security feature, a sealing ring has been fitted to prevent re-filling cartridges. When empty, simply remove and replace with a new cartridge.

**PACK SIZE:** 1L cartridge for use in Dispenser programs
